AWARD

An Industrial Dispute having come into existence between the workmen and the management of M/s Gamsha Pipe Ltd., Mathura Road, Faridabad, with regard to the demand of the workmen for the grant of bonus for the year 1965-66, the same was referred to this Tribunal, for adjudication under clause (d) of sub-section 1 of Section 10 of the Industrial Disputes Act, 1947,—vide Haryana Government Notification No. 107-SF-III-Lab-67/4669, dated 7th March, 1967.

Usual notices were issued to the parties and in response to the same the workmen filed their statement of claims and the management filed their written statement to the same. The pleadings of the parties gave rise to only one issue which is as under —

"Whether the workers are entitled to the grant of bonus for the year 1965-66 ? If so, what should be the quantum of bonus and terms and conditions of its payment ?"

Parties were called upon to lead their evidence on the said issue on the 22nd of August, 1967. On the aforesaid date the workmen led their evidence which consisted of only one witness Shri Tara Singh, a workman in the concern. The management led no evidence. Shri Tara Singh stated that the concern started functioning in the middle of 1961 when it used to manufacture only 60 small pipes per day and that after one and a half year more machinery was added and production was increased but that the workmen had never been paid any bonus. From his evidence it is not established that the Payment of Bonus Act, 1965 applies to the facts of the present case nor has it been established that the workmen are entitled to bonus on any other basis. The workmen have hopelessly failed to prove their case and their demand is accordingly dismissed. No order as to costs.

Dated 31st August, 1967.
